WHAT DOES BEING A MEMBER MEAN?

As a charity and membership organisation, we work positively and constructively with our members and other key stakeholders across Wales to advance equality and reduce prejudice, discrimination and marginalisation related to housing.

Our members inform and support our work as influencers and thought leaders, while benefiting from high quality services, support and networking through our member benefits.

Local authorities have a vital role to play, not only through management of council housing for those who have not transferred their stock, but also through homelessness prevention, provision of gypsy and traveller sites, management of the Common Housing Register and Accessible Housing Register and as members of Public Service Boards. Tai Pawb's training and support package for local authorities will help support you in meeting your statutory duties under the general Public Sector Equality Duty (Equality Act 2010) and specific duties for Wales (Equality Act 2010 (Statutory Duties)(Wales) Regulations 2011).
